

## **Alaska Educators' Historical Society**

Alaska Educators' Historical Society was formed in 1998 as a non-profit adjunct of Alaska Retired Educators' Association. The project was undertaken as a means of preserving some of the memoirs, anecdotes and stories that have become the traditional memory of Alaskan Educational History. With State-Operated and BIA Schools no longer entities in Alaskan Education, the institutional memory of those bodies is fading as the pioneers age and pass away. The city schools as well have a rich folk lore surrounding the early days which needs to be preserved. Anyone with a story about the early schools or the people involved is encouraged to submit it to the Society.

Membership in AEHS is \$10 per year. One need not be a member to submit a story to the project.
